

# Session 10: Reflections

**Task:** Thinking of the new GMS Health Cooperation Strategy, and in your country groups, take a few minutes now:

- To think if there are **any messages** from yesterday you'd like to be **discussed further**?
- Have we **missed an important issue**?
- Are there **any remaining issues** to discuss prior to country consultations?

# Viet Nam

- To think if there are **any messages** from yesterday you'd like to be **discussed further**?
- Have we **missed an important issue**?
- Are there **any remaining issues** to discuss prior to country consultations?

# Thailand

- To think if there are **any messages** from yesterday you'd like to be **discussed further**?
- Have we **missed an important issue**?
- Are there **any remaining issues** to discuss prior to country consultations?

# People's Republic of China

- To think if there are **any messages** from yesterday you'd like to be **discussed further**?
- Have we **missed an important issue**?
- Are there **any remaining issues** to discuss prior to country consultations?

# Lao People's Democratic Republic

- To think if there are **any messages** from yesterday you'd like to be **discussed further**?
- Have we **missed an important issue**?
- Are there **any remaining issues** to discuss prior to country consultations?

# Cambodia

- To think if there are **any messages** from yesterday you'd like to be **discussed further**?
- Have we **missed an important issue**?
- Are there **any remaining issues** to discuss prior to country consultations?
